AFFILIATION FEES / COMPETITOR LEVY

Fees are based on Shearing, Woolhandling, Presing and Speed Shear events.

\$4.00 per competitor is payable, with a minimum fee of \$40.00 (plus GST).

This excludes Circuit Events.

The levy provides funds for the promotion of the sport and uniforms for national teams.

THE DIRECTORY

This publication is annually compiled by SSNZ.

SSNZ was formed in 1973 to promote, encourage and

co-ordinate the activities of societies and or

committees involved with the running of shearing and woolhandling

competitions.

**In producing this Directory SSNZ gratefully
acknowledge the hundreds of judges, woolgrowers,
competitors and administrators who volunteer their time and skills
to promote quality and efficiency in the wool harvesting and sheep
meat sectors.**

MEDIA & COMPETITION RESULTS

Shearing Sports New Zealand media officer Doug Laing is available to assist all publicity needs leading up to and after your competition, particularly in getting results distributed among the media.

The aim is to provide as much advance publicity as possible, and to publish all final results and associated stories on social media and through more traditional newspaper, radio and television networks as soon as possible, which means immediately after the competition is over, preferably sent by email with copies of all finals results, including times and points.

Those collating entries and results should ensure correct spelling of names and the towns competitors are from. While the media officer attends many shows each season and remains in constant contact with those involved in scoring systems at shows, each committee should appoint someone to take on the local role of publicity and liaison to ensure results and other information are available to the media officer as soon as possible. Enlisting younger family members with all the skills of modern communication (ie mobile phones can be helpful for the purpose of getting results away on the day).

Show committees should also follow the media service on the Shearing Sports New Zealand Facebook page or at www.shearingsports.co.nz, where the Facebook feed is available to all users whether Facebookers or not, and where results of shows throughout the season are published, along with media releases and other crucial information.

10.6 There will be no hinderance or contact with the shearer that negatively affects the shearers work.

10.7 No assistance by the shearer will be allowed (this includes waiting or passing wool to the competitor, other than black wool or flystrike).

10.8 The shearing board and slatted table are to be cleared of all wools between sheep.

TEAM POINTS

Shall be left as actual penalty points and not divided by the number of sheep shorn.

Woolhandler's Points:

Board, oddments and fleece points will be added together, then divide by 2.5.

Time:

One time will be taken for each team—from shearer starting on 'GO' until the Woolhandler raises either hand or broom at the rate of 10 sec/point.

The woolhandling referee has the right to adjust the dividing factor on the woolhandler's points to a figure higher than 2.5. This figure should rarely exceed 4.0.

COMPETITION STANDARDS AND GRADINGS

Grading for **competitions** as A-grade, B-grade or C-grade shows is determined each year at the annual meeting of Shearing Sports New Zealand based on levels of prizemoney.

Grading for **shearers and woolhandlers** is based on results (points for wins in the grade) or best shearing tallies in the woolshed, and takes effect at September 1 each year.

Overseas competitors with insufficient New Zealand results history compete according to home-country grading or based on tallies, but if in doubt should consult the Chief Referee, Shearing Delegate or Shearing Sports New Zealand.

A Chief Referee shall have ability to upgrade a competitor immediately if a shearer had shorn a higher tally prior to the start of the season, or in the case of Novice grades a competitor deemed to be of higher standard (ie Junior).

In all cases, competitors have the right to object to their grading by applying to Shearing Sports New Zealand stating reasons why they believe they should not be upgraded.

Where a show has no competition in a competitor's grade a competitor may compete up a grade without prejudice to their grading. Competing in a higher grade to help make up the numbers is permitted at the discretion of organisers and the Chief Referee, but results could be used in determining a competitor's grading.

Shearing Sports New Zealand will be considering changes to take effect in the 2022-2023 season.

Upgrading based on Competition Performances

Only winners of events shall be allocated points for grading purposes. Points are: 3 for winning an A-grade event, 2 for a B-grade event and 1 for a C-grade event, with upgrading determined on the following scale:

Grade	Shearing	Woolhandling
Novice	5 points	5 points
Junior	7 points	9 points
Intermediate	11 points	
Senior	21 points	13 points

Winners of the Novice events at the Golden Shears and New Zealand Shears shall also be automatically promoted from that grade.

Upgrading based on Best Shearing Tallies

Shears must upgrade at the start of each season if they have exceeded the following tallies

Eight hours:

Grade	Lambs	Adult	Bellied	F/wool Novice	60	50
Junior	265	205	230	150		
Intermediate	380	305	340	215

CHECKLISTS FOR SHEARING AND WOOLHANDLING COMMITTEES:

As a quick guide here is a checklist of the people and roles important for a smooth-running competition:

- **Chairman:** responsible for coordination, programme presentations and gathering together a good team.
- **Secretary:** Entries, results to Doug, cash prizes, judging stationary, judges etc.
- **Publicity Officer:** Doug Laing - Use him, he's great value.
- **Sheep Steward:** responsible for securing the sheep, good preparation and selection for finals. Transport, unloading and loading and any animal welfare issues.
- **Pen Steward:** to ensure enough pen staff for the stock movement of shorn & woolly sheep—works closely with the sheep steward.
- **Wool Steward:** ring the wool examiner for help here—wool containers, wool movers, stop watches. Pressing requirements with fadges, clips etc. A good wool judging area with tables and fadge holders. Press and presser.
- **Points Person:** very important, computer generated results are always the best, but so are accurate manual points people. Copies of points for the finalists are always appreciated.
- **Presentation Steward:** someone who knows what all goes together such as product, cash and ribbons—not an easy job. Nice to have a well laid table and a prepared presentation steward to ensure the presentation goes off well.

North Island Circuit Shows are welcome to use the NIWC equipment.
There is a charge of \$35 towards the administration and upkeep of the gear. This applies to any of the equipment used not just the computer.

Competition Committees to keep judges board, pen and time cards for a minimum of one (1) year.

- **Catering:** nothing goes well without good food for the hard working crew. This includes cold drinks for those hot days.
- **Draws Steward:** This person will ensure the draws are made in a timely manner and will then attend to the blackboards with names clearly and correctly written.
- **Commentator:** someone to ensure the day moves along and can keep the layperson informed as to what is going on. Also important in keeping our sponsors in front of the people.
- **Disputes Committee:** not often this is needed, but you do need to be aware of who forms the make up of this body (Shearer / Wool handler Rep).
- One last tip, it's always helpful if the committee are conversant with the Directory— 90% of the answers are at your fingertips, if not give your Regional Delegate a call, only too pleased to offer support.
- All A-grade Crossbred open shearing shows to run 10 sheep semi-final and other shows to run a minimum of 8 sheep semi-final where practical.
- **If open shearing heats are to be run before lunch, it must be stated in the Competition Directory.**

YFC SHEARING AND WOOLHANDLING CHAMPIONSHIPS:

Blue Ribbon:

For individual shearers

YFC Teams:

Teams of 2 shearers & 2 wool handlers

- * Competitors must be bona fide active members of YFC
- * Qualification heats start at club or district levels early Oct.
- * Open Teams and Blue Ribbon finals held at Golden Shears.

For further information contact YFC Head Office 0800-699-346

PROGRAMME TIPS:

A professional image and presentation is important for the survival of our sport. Plan your competition with careful attention to detail so that you start on time and stay on time.

Understand that finals are the finale for the day, they deserve to be in prime time, think about the best timing for these events.

A sponsor who can appear in front of an enthusiastic crowd, will definitely want to be there again next year.

So our hot tips are:

- Have a timetable, and be committed to sticking with it.
- Promote your show at preceding shows, especially the start time.
- Organise to have plenty of help.
- It's not your fault if people are late—the late junior shearer will just have to shear in the intermediate class!
- Aim to run the major finals at prime time 3pm-4pm. This is just before people start leaving for home.
- Schedule events to minimize delays.
- Keep the pace 'hot', a good commentator can help this.
- Be just as careful in your planning for the prize giving as for the actual shearing and woolhandling events. A lack of planning at the prize giving can cancel all the good work early on.

Public Liability all competitions are urged to check their public liability responsibilities and cover.

SSNZ encourages all show committees to promote their events through the media, if this is an issue, let Doug help you. Often a good idea to have someone who has this as a dedicated responsibility.

Finally, please remember to get those results to Doug Laing asap, after your competition
